U.S. DISTRICT COURT
MIDDLE DISTRICT ALA. ?
CIVIL ACTION No. 1:06-CV-703

V. ?
Warden Kenneth ?
Jones, ?
Respondents, ?

A motion to the courts, to make
a ruling in the case 13A-10-123,
Intimidating a state witness.

I will explain with the following reasons
why this case should be immediately
dismissed.

- 1) There is no arrest warrant on 13A-10-123,
Intimidating a state witness. The Houston
County Circuit Clerk Charla Woodall did
not have one on record or file
- 2) There is no record showing Debra Blackstone
had been legally summoned.
- 3) There is no record ~~of~~ showing where

①

Debra Blackstone is a state witness for anything. There is no recorded records, nor legal summons from the dates of 4/14/03-5/14/03. Alabama criminal code 1975, paragraph three, says that for this case to be a felony, he or she must be legally summoned. It will also tell you this on Alabama criminal code 13A-10-123, it states the same thing that he or she must be legally summoned. I have filed this several times into the court, Judge Cooley continues to deny me a hearing. Judge Cooley is holding personal feelings against me for favoritism, because he is doing a favor for a judge in Houston County, a judge named ("Larry Anderson") had a sexual affair with Debra Blackstone, her name was Debra Tyce when this occurred. This is wrong for a judge to keep me in prison for personal reasons. I ask the courts to bring me in front of the judge immediately, for a hearing in this matter for evidence. No longer than fifteen days, and to bring my legal copies with me. Please reply back in court.
